## WHO WE ARE

The Good Shepherd Children's Home (GSCH) is a ministry of Baptist Medical & Dental Mission International in Honduras. More than 200 kids live at the GSCH where they are loved and receive the care they were missing. God is working miracles in the lives of these kids; most of them come from terribly abusive situations and we see how He changes their lives in this welcoming, Christian environment. Slowly but surely they let go of the pain and nightmares of the past and look to the future with hope.

## OUR DREAM FOR THESE KIDS

As you can imagine, poverty and unemployment go hand-in-hand developing countries. The children are educated through high school but there are no funds available to help these children get a college education.

We want to break the cycle of poverty for these kids by giving them the specialized skills that will help them find jobs that will sustain them and their families. It is our dream that the Lord will touch the hearts of some special donors to create a fund that will allow these children to study in a college in Honduras or in the States.

HELP MIRIAN GARCIA SOSA  
ACHIEVE HER DREAM OF BECOMING  
AN ENGLISH TEACHER

MORE THAN MEDICINE

**Mirian Garcia Sosa**  
*Resident of the Good Shepherd Children's Home in Honduras*

## HER BEGINNINGS

Mirian came to live at the Good Shepherd Children's Home because of terrible neglect and eventual abandonment. She was nine years old when she awoke to find her mother gone. Her siblings were split up and to this day no one knows where they are. She passed from one bad situation to another; without a doubt, Mirian experienced more abuse and hardships in the first 12 years of her life than we can imagine.

Young Mirian

Finally the Honduran child social services stepped in and brought her to our Children's Home where she received the love and care that all children deserve. Over the past 10 years, Mirian has become a Christian, is active in the local church, helps with translation for mission teams, and is faithful to help the other children in the Home. She has gone from the darkness to the light!

## HER DREAM

Mirian has graduated from high school and dreams of becoming an English teacher at the school on the grounds of the Good Shepherd Children's Home in Honduras. Her next step is to go to college.

Do dreams come true? Let's show her that some dreams do come true. Will you please help her achieve this goal by giving to her education fund!

## HER FUTURE

With your help, Mirian's future will be a lot brighter! We want so much for her to have the education that will allow her to support herself and her family one day. With the right skills and education, we believe that Mirian will multiply the blessings she has received to make life better for so many other children that come from situations similar to hers.

Mirian
